- **Administrative Members** help with non-operational duties such as fundraising, community outreach, IT, various committees and auxiliary services

WE VOLUNTEER BECAUSE WE CARE!

A Message from the President and Chief Glenn Dale Fire Association, Inc.

Dear Friend and Neighbor,

As leadership of the Glenn Dale Volunteers, we are honored to lead an organization that has proudly protected and served our community for nearly 100 years. Our volunteers stand ready to respond to emergencies, provide critical Fire and EMS services, and help our neighbors in their time of need.

Our station relies entirely on the generosity of the community we serve. Your donation helps fund emergency vehicles, life-saving equipment and the resources needed to maintain our readiness to serve.

We need to replace our aging fire engine at a cost of over \$1,000,000. Our goal with this fund drive is to raise enough funds to help cover the anticipated loan payment costs. Your donation is an investment in the safety of our community. With your support, we can continue responding with the equipment and resources necessary to protect our community for generations to come.

On behalf of our members, thank you for your continued support, trust, and commitment to the Glenn Dale Volunteers. Together, we can continue the proud tradition of volunteer service that has defined our organization since 1928.

Sincerely,

Robert D. Stallings, President
Quentin Meullion, Fire Chief
